Dear Applicant,

The attached Application Form must be fully completed and returned to our office. We will need all the information requested, including all periods of employment and unemployment. All addresses should include the street address, city, state and zip code, as well as the telephone number with area code.

Any omission of information from the application will result in your application being considered incomplete, which will delay the final processing of your application.

In addition to the Application Form, you have been provided with a Residency Requirement Form, an Authority for Release of Information Form, an Accessibility to Confidential Records Form, a Recruit Training Agreement, a Physical Abilities Test Form, and the Background Questionnaire. Please read those forms completely, sign in the appropriate place and return with your application. You will note that most forms require witness signatures. Your witness must be someone over the age of 18 and cannot be a relative. Omission of the witness signatures from these forms will also result in your application being considered as incomplete.

Sincerely,

James Buntin
