September 19, 2012

**Metropolitan Police Department Launches Traffic Accident Webpage**

Today, the Metropolitan Police Department, City of St. Louis (“the department”) launched an online traffic accident listings webpage via the department’s official website, [www.slmvd.org](http://www.slmvd.org). Citizens can view the new webpage by clicking the *Inside SLMPD* tab on the [www.slmvd.org](http://www.slmvd.org) homepage, followed by clicking on *Records Division*, which includes a link to *SLMPD Online Traffic Accident Listings*.

The webpage provides access to basic information about traffic accidents reported within the city of St. Louis to the police department in the last 31 days. Each listing contains traffic accident reports approved by the department on the listed date. Citizens interested in reviewing reports should allow three business days after an accident has occurred before trying to access accident information online. Some accident reports may require additional time to process.

Those citizens seeking older accident information or wish to purchase an official accident report should respond to the Records Division, 1200 Clark Avenue, Room 114, Monday - Friday from 8 A.M. to 4 P.M.
